

Big Smoke Brass - Long Bio 2024

Big Smoke Brass is a musical powerhouse delivering heavy-hitting grooves with infectious energy. Since their beginnings on the streets of Toronto in 2017, the band has gone on to give hundreds of performances across Canada, all the while cultivating a unique, modern take on the brass band sound.

The band's catalogue encapsulates a diverse array of musical hits from every era, as well as a substantial body of original material - featured on radio, television, & web alike. BSB performances are lauded for their overwhelming energy and tight musical showmanship; appearing at countless concerts, festivals & events, Big Smoke Brass thrills all manner of audiences and always leaves them wanting more.

Eager as ever to share their passion for music far & wide, Big Smoke Brass maintains a busy performance schedule throughout the year. Their commitment to fostering community and spreading positivity remains a driving force behind all that the band does - if you should find yourself at a Big Smoke show, a song in your step and a smile on your face won't be far behind.
